Dear carers/ patient

Outpatient Appointment

Thank you for choosing to see me. This letter sets out some important information. This is for your information only and is not a bill. As this includes information about my charges, if you do not have private medical insurance but someone else will be paying your bill, you may wish to pass a copy of this letter to them. Please note that even if someone else is paying your bill or you have private medical insurance, you are responsible for paying any charge which they do not pay.

Consultation Fee

My fee for an initial consultation will not exceed £350.00 and my fee for any follow up consultation will not exceed £200.00. These estimates are correct as at the date of this letter.

Certain tests may be required to help me diagnose yours/ your child's condition such as :

- Hearing , audiological and vestibular tests
- Blood test
- Imaging e.g MRI, CT scan

Those tests are not undertaken by me and the fees for those tests will be determined by the clinic or hospital and charged to you, or your private medical insurer, separately.

If there are any fees which I will charge in relation to any of the tests I advise that you have, I will let you know what those will be.

Private Medical Insurance

If you have private medical insurance, please contact your insurer before your consultation, to check the terms of your policy, particularly the level and type of outpatient cover you have, including any reimbursement limits on individual consultation fees.

I am recognised by the following private medical insurance companies.

Aetna
Allianz
Aviva

Please note you are responsible for any fees not covered by your insurer.
